AIA NEW YORK ANNOUNCES 2017 DESIGN AWARDS WINNERS

Diller Scofidio + Renfro recognized with Best in Competition Award for the Roy and Diana Vagelos Education Center at Columbia University.

NEW YORK CITY, March 6, 2017 – On Monday, March 6, 2017, a jury of independent architects, educators, critics, and planners from outside New York City convened at the Center for Architecture to select the winners of the **2017 AIA New York Design Awards**. That evening, they publicly announced the **35 winning projects** at a symposium at the Center for Architecture.

The 35 selected projects and the architecture firms that designed them – many of whom were on hand for the symposium – represent the exceptional work by AIA New York members and architects practicing in New York City in four categories: Architecture, Interiors, Projects, and Urban Design. The jurors named the Roy and Diana Vagelos Education Center at Columbia University by Diller Scofidio + Renfro, with Gensler as Executive Architect, Best in Competition.

Each winning project, granted either an “Honor” or “Merit” award, was chosen for its design quality, response to its context and community, program resolution, innovation, thoughtfulness, and technique. Submitted projects had to be completed by AIA New York members, architects/designers practicing in New York, or be New York projects designed by architects/designers based elsewhere. There were 379 entries in the four categories, including 191 submissions in the Architecture category alone. The winners range from temporary installations and exhibitions to large-scale urban interventions. 22 of the 35 winners were NYC-based projects.

This year, Media Sponsor v2com will give away one free press kit distribution to all AIANY Design Award winners in order to promote the winning project to an international network of media.

Design Awards Exhibition

All winning work will be exhibited in the **2017 AIANY Design Awards exhibition** at the Center for Architecture beginning **Friday, April 21**, with an opening reception from 6-8pm. The exhibition, designed by **Forrest Jesse**, will remain on view through Saturday, May 6, 2017.

Honors and Awards Luncheon and Upcoming Programs

In addition to the Jury Symposium, winning projects will be recognized at the **Honors and Awards Luncheon, Friday, April 21**, at Cipriani Wall Street (www.aiany.org/awardslunch).

The Luncheon will also fete *Medal of Honor* recipient **Sharon E. Sutton, FAIA**; *Award of Merit* recipient **Fiona Cousins, PE**; and *Stephen A. Kliment Oculus Award* recipient **Martin Filler**. The Luncheon serves as an important fundraiser for AIA New York and the organization's ongoing mission to show that design matters.

Members of the press are invited to all events. Jurors and a list of the winning projects are on the following pages. For project details and photographs or to RSVP to Design Awards events, contact Camila Schaulsohn at AIA New York, 212-358-6114 or cschaulsohn@aiany.org.
